INTRODUCTION

Nosotros, Inc. has served the local community for over 30 years by offering a wide range of human services. From 1996 to 2008, Nosotros served as an alternative high school for the Tucson Unified School District (TUSD). The Nosotros Alternative Education Program established a reputation for excellence, serving approximately sixty (60) students per year.

Due to our excellent reputation, Mr. Frank O. Romero, Executive Director (1981-2009), and the Governing Board of Nosotros, Inc. made a decision to apply to the State Board for Charter Schools to obtain approval to open Nosotros Academy in August 2002.

Nosotros Academy serves approximately two hundred students, ages five (5) to twenty-one (21), in grades K through 12. Nosotros Academy is a tuition-free public school and offers an official Arizona High School Diploma.

THE NOSOTROS ACADEMY VISION

Nosotros Academy believes all students have the right to discover, set and realize high academic, post-secondary, professional and personal goals and uses the best K-12 educational practices to help our students reach those goals.

THE NOSOTROS ACADEMY MISSION

Nosotros Academy dedicates itself to bringing a quality alternative education to at-risk students that will promote empowerment of the student, engagement of the family, and community building through mutual commitment to academic success by providing individualized instructional services in a safe, user-friendly atmosphere that meet the needs of students so they can excel as members of the greater community.

LEGAL NOTICES

Please note that a recent law was passed that requires that Nosotros Academy notify parents that teacher resumes are available for review. You may contact the school administrator to review teacher resumes.

EQUAL EDUCATIONAL OPPORTUNITIES

Nosotros Academy affirms that it does not discriminate on the basis of race, color, national origin, sex, age or disability, in access or admission to success in employment opportunities

Nosotros Academy is in compliance with Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, and Section 504 of the Rehabilitation Act of 1973.

In addition, a lack of English language skills shall not be a barrier to admission or acceptance into any program, including vocational education.

Admission to the elementary school is open to all students ages five (5) through ten (10) who are entering kindergarten, first (1st), second (2nd), third (3rd), or fourth (4th) grade. Admission to the middle school is open to all students ages eleven (11) through fourteen (14) who have completed the fifth (5th), sixth (6th), or seventh (7th) grade or received permission to enroll from the Academy's administrator.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

Nosotros Academy complies with the Family Educational Rights and Privacy Act of 1974. This Act protects the privacy of educational records, establishes the right of students to inspect and review their educational records, and provides guidelines for the correction of inaccurate or misleading data through informal or formal hearings.

The Family Educational Rights and Privacy Act (FERPA) also specifies rights related to educational records. This Act gives the parent(s) the right to-

- (1) Inspect and review his/her student's educational records;
- (2) Make copies of these records;
- (3) Receive a list of all individuals having access to those records;
- (4) Ask for an explanation of any items in the records;
- (5) Ask for an amendment to any report on the grounds that it is inaccurate, misleading, or violates the student's rights;
- (6) A hearing on the issue if the school refuses to make the amendment.

MANDATORY REPORTING LAW

This new law (Arizona Revised Statutes 15-341 (A)(33)) states that the Governing Board shall report any suspected crimes against persons or property and any incidents that could potentially threaten the safety or security of pupils, teachers, or administrators to local law enforcement. Nosotros Academy and its employees are immune from any liability for any good faith actions taken in furtherance of this paragraph.

As a result, all schools are obligated to report to law enforcement-

- Any suspected crimes against persons or property; and
- Any incidents that could potentially threaten the safety or security of students or staff.

This new law puts new demands on everyone. There is now a reporting duty that is broad enough to include some threats or acts that previously would have been handled only through disciplinary action at the school level, conflict resolution intervention, or perhaps, even ignored. Virtually any crime is a crime against a person or property. Consequently, all incidents involving suspected criminal conduct must be reported.

SPECIAL EDUCATION POLICIES AND PROCEDURES

Special Education Policies and Procedures are made available to parents.

(Inform parents within boundary of responsibility that these Special Education Policies and Procedures are available for review.)

SECTION 504 OF THE REHABILITATION ACT

Section 504 is an act which prohibits discrimination against persons with a disability in any program receiving Federal financial assistance. The Act defines a person with a disability as anyone with-

- (a) A mental or physical impairment, which substantially limits one or more major life activities (including those such as caring for oneself, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, or working);
- (b) A record of such impairment, or is regarded as having such an impairment.

In order to fulfill its obligations under Section 504, Nosotros Academy recognizes a responsibility to avoid discrimination in policies and practices regarding its students. No discrimination against students with disabilities will knowingly be permitted in the program and practices of the school system.

The school has specific responsibilities under the Act, which includes the responsibility to identify, evaluate, and if the student is determined to be eligible under Section 504, to afford access to appropriate educational services.

If the parent or guardian disagrees with the determination made by the professional staff of the school, he/she has a right to a hearing with an impartial hearing officer.

SPECIAL EDUCATION AND STUDENTS WITH DISABILITIES

Nosotros Academy is committed to providing a free and appropriate education to all students who qualify as disabled under the Individuals with Disabilities Education Act (IDEA). All policies and procedures will comply with the Arizona Revised Statutes 15-183(B)(6) and are set forth in Nosotros Academy's Special Education Handbook.

The school is then required to "flag" the student's records and notify local law enforcement agencies if the records have been requested by an in-state or out-of-state agency. Should a law enforcement agency notify Nosotros Academy personnel that a student is missing, then that person is required to immediately notify the school administrator.
